Introducing the Zoom Parasol Where Shade Meets Style

Elevate your outdoor branding with the newest innovation in our outdoor range – the Zoom Parasol. Designed for both practicality and visual impact, this parasol provides an impressive 2x2 metre coverage, making it the perfect shield from the sun while ensuring your brand stands out in any setting.

Crafted from a sturdy 40mm hexagonal aluminium frame, the Zoom Parasol strikes the ideal balance between durability and modern design. Its robust construction is built to withstand the elements while offering a sleek, professional look that complements any outdoor environment.

No tools? No problem. Thanks to its smart tool-free assembly and intuitive push-button mechanism, the Zoom Parasol can be set up effortlessly – open it in seconds, adjust the height with ease, and focus on what matters: creating an inviting branded space.

Plus, the Zoom Parasol comes equipped with a weather-resistant graphic canopy that not only showcases your brand in full colour but also offers protection from both sun and light rain – making it a dependable companion for festivals, outdoor cafes, markets, and more.
